Download Windows 10 or Windows 11 from CrystalFech
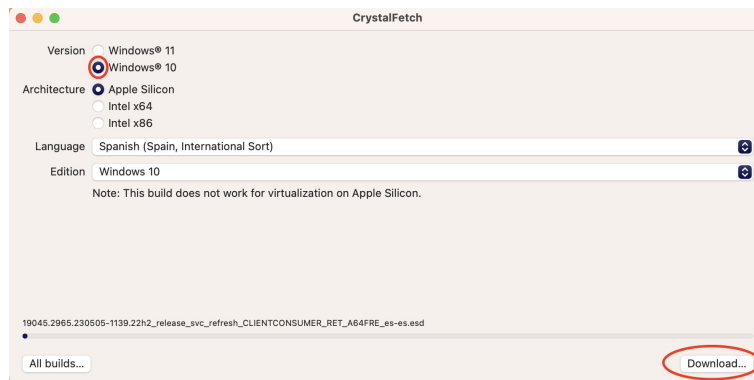

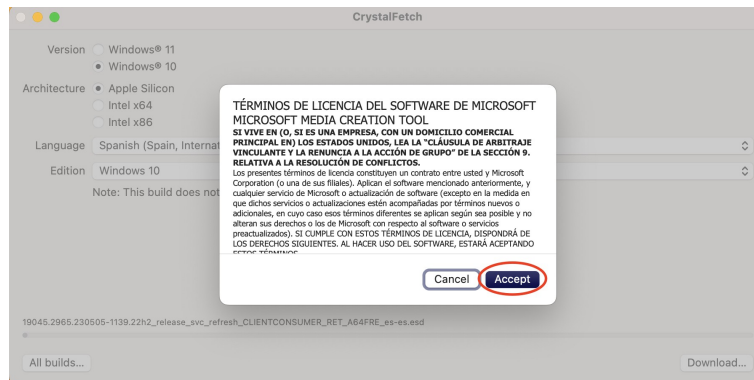

We can download any version of Windows 10 or 11 from CrystalFech.

For more information: https://docs.getutm.app/guides/windows/#crystalfetch

After installing CrystalFech, open it, select the version of Windows you want to download, and click Download.

And in the pop-up window, we accept the terms.

Once everything is finished, a window will open asking you where you want to move the downloaded .iso file. Select the folder where you want to store it and click Move.
